Project: Draft Corrective Action Plan/Engineering Report (CAP/ER)  
Gallatin Public Utilities  
County: Sumner

Dear David:

We have reviewed this Draft Corrective Action Plan/Engineering Report (CAP/ER) the division received from you on November 13, 2012. This report contains the proposed actions by the utility to eliminate overflows in the collection system. We have no comments concerning its contents. We have stamped the two copies of the report we received "Approved." We are returning one copy to you and retaining one copy for our files. We look forward to receiving the final report in the near future.

If we may be of any assistance, please feel free to contact us either by phone (615) 532-0358 or by e-mail at [Phil.Simmons@tn.gov](mailto:Phil.Simmons@tn.gov).

Sincerely,

A handwritten signature in black ink that reads "Philip M. Simmons".
