Subject: **Sanitary Sewer Overflow Response Plan**
Gallatin Public Utilities
Wastewater Project Number: 13-0670
County: Sumner

Dear Mr. Gregory:

Receipt is acknowledged, on October 22, 2013, of 1 copy of the above-referenced plan. The plan describes the actions to be taken by Gallatin Public Utilities to reduce the impact of a sanitary sewer overflow (SSO) on the rate payers and the environment, as well as, to comply with applicable regulatory requirements. The division finds this plan acceptable.

To expedite matters, please reference the assigned wastewater project number 13-0670 on any future correspondence. If we may be of any assistance, please feel free to contact Mr. Phil Simmons at (615) 532-0358 or by E-mail at Phil.Simmons@state.tn.us.

Sincerely,

Vojin Janjić
Manager, Water-Based Systems
