I/We hereby make application to Gallatin Public Utilities (referred to as the Department) for utility service at the location given or any other location or premises occupied or designated, if said locations are on or connected with the Department's existing utility lines and these lines are suitable for the service applied for.

I/We agree to be responsible for all water and/or gas consumed at the location designated, as measured by the Department's meters in accordance with the standard rates, rules, and regulations of the Department, as may be established from time to time for such class of service.

It is understood that this application will be forwarded to the Office of Planning and Zoning for the City of Gallatin, and that if it is determined that this is a change of use for this site, a site plan may be required for Planning Commission approval, and that if a site plan is not submitted and approved or the use is not permitted in this particular zoning district, the utility service will be subject to disconnection until Planning/Zoning requirements are met.

It is understood that this application or agreement is subject to the standard rules and regulations of the Department, on file for inspection at the office of the Department, and such rules and regulations are hereby made part of this agreement.

GALLATIN PUBLIC UTILITIES

In addition to the connection fees paid at the time of this request, Large commercial and industrial customers are required to maintain a guarantee based on an average estimated monthly billing and will be notified under separate cover the amount and due date of such guarantee.

As per Gallatin Municipal Code Section 17-62, and Section 17-258 approved in 2011 concerning surety deposits, the following shall apply:

Large commercial and industrial customers**shall be required to maintain a suitable guarantee in addition to the required connection fee. The required guarantee shall be in an amount equal to twice the average estimated monthly water/sewer billing. The guarantee shall name the City of Gallatin as obligee, shall comply with all statutory requirements, and shall be satisfactory to the City Attorney as to form, sufficiency of surety, and manner of execution. All Irrevocable Letters of Credit must contain automatic renewal provisions, in language satisfactory to the City Attorney, that provide for automatic renewal of the Irrevocable Letter of Credit unless the City is provided at least sixty (60) days notice of non-renewal by the issuer of said Irrevocable Letter of Credit. Failure to provide a renewal surety when requested by the City shall subject the customer to termination of water, sewer, and natural gas services.

**As defined by Gallatin Municipal Code

Gas: Large commercial and industrial customers defined as a customer that has a maximum monthly usage of one hundred and fifty (150) ccf or more.

Water: Large commercial and industrial customers defined as a customer that utilizes three thousand (3,000) or more cubic feet of water per month.
