Gallatin Public Utilities is implementing a new assistance program that will allow our customers to help financially distressed families pay their utility bills. These pennies, nickels, and dimes can help raise thousands of dollars every year to help your neighbors right here in our community. Most often these customers are elderly or disabled and on a fixed income; in some cases these customers may have had a crisis situation leaving them without funds to pay their utility bill. Customers participating in this program will simply have their monthly bill “rounded-up” to the next highest dollar. For example, if a GPU utility bill is \$32.79, it will be rounded up to \$33.00. The additional \$0.21 goes to the Operation Round Up Program. The Operation Round Up Program has the potential to make a difference in our community. Imagine the possibilities!

For those wishing to participate, you may join by:

- Complete the form below and return with your bill payment, or
- Call and speak with a utility billing representative at 615-451-5922, or
- Email us at customerservice@gallatinutilities.com, or
- Visit our website at www.gallatinutilities.com

Please enroll me in the Operation Round Up Program
